Perspective of Giving

Our attitude toward wealth is one of the greatest challenges in our society and our church. However, as with any challenge, there is also great opportunity. If we can figure out how to live in the space between more and less and content ourselves with enough, we will set for the world an inspiring example that will cause many to consider Jesus. If we ignore this issue, we will realize the unfortunate label that Jesus placed on the third soil: "unfruitful".

Kingdom Kids!

The next rotation of kingdom kids teachers is quickly approaching and we still need some of your help! If you are interested in serving the church in this way, please pray and consider attending our Kingdom Kids Workshop on April 19.

Remember this—a farmer who plants only a few seeds will get a small crop. But the one who plants generously will get a generous crop. You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. "For God loves a person who gives cheerfully." And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others.

2 Corinthians 9:6-8

Let us sow generously and reap generously for God's glory.
