This is the season of self-improvement, but if you want to become a better person, focus less on yourself and more on doing something to make the world a better place. The challenge is that making the world a better place requires giving up some part of our lives—time, money, or opportunities. It will cost you some life. We don't want to give up some life. We want to preserve our lives. But Jesus said that the only way to live a life of purpose and meaning is to give our lives away.

Fasting Guide

Declare a holy fast; call a sacred assembly. Summon the elders and all who live in the land to the house of the Lord your God, and cry out to the Lord. Joel 1:14

What Fasting is a period of abstinence, voluntarily abstaining especially for spiritual purposes

When We are inviting everyone in the church to fast and pray every Tuesday during the month of February until 6:00pm. At Celebration Tuesday on February 16, we will be celebrating with a potluck dinner and break our fast together at 6:30pm.

How Options include just water, juice with no added sugar, raw vegetables or fruit [*pray when you feel hungry*]. You can also fast from social media and TV for longer periods of time.

Why To humble ourselves and ask God to:

- Connect our hearts with His and to grow our faith and love.
- Help us defeat sin and distraction so we can focus on Him.
- For His presence to bless each ministry, send workers into the Harvest Field and abundant fruit.
- Heal marriages that are struggling and for our children and family members to love and give their lives to God.
- Restore those who have wandered from the faith.

Physical Benefits Many worry about the idea of fasting. However, our bodies benefit tremendously from fasting when done wisely as we rely on God for strength [****If you have unique health challenges, please seek the guidance of a health professional before starting your fast****]

Spiritual Benefits Matthew 9:14-15, Matthew 6:16-18, Psalm 35:13-14, Mark 9:29. Lets glorify God as we enjoy this time to draw near to Him!
