Unemployed Members

Research tells us that the average person thinks about 50,000 thoughts every day. Each thought moves us either toward our God-given potential or away from it. Unfortunately, we live in a society bent on highlighting what is wrong with just about everything. As a result, we have grown accustomed to viewing the world and ourselves through a lens of negativity. In Philippians 4:8, the apostle Paul challenges us to seek out and dwell on the positives in our lives. When used as a filter, Philippians 4:8 is the true secret to vibrant health, satisfying relationships, and lasting fulfillment!

Thank you so much for giving to our Special Missions offering last Sunday! As a family we offered up a total of \$103,000, which means we are only \$50,000 away from our goal! We are beyond grateful for everybody who gave and if you were unable to give, you still can. You can give every Sunday throughout the Summer or online at www.lighthouse.ccbchurch.com. *Please continue to pray that we would sow generously and reap generously to bring God glory!*
