## PART ONE // SEEING TO IT

Today we are beginning a brand new season of renewal in our relationships, specifically *small groups*. Over and over through out the New Testament, God emphasizes the importance of *one another* relationships. However, the reality of the world we live in is that we DRIFT away from the very things we need in order to grow and be successful. Commitment is not enough. We must be connected because ultimately, life is better connected. That is what Re:Group is all about.

## DISCUSSION QUESTIONS

1. How was your summer? Did everything go as you wanted? What do you want this new season of your life to look like? Share this with someone you are close to.

2. In Peter's message, he mentioned that *we all drift*. Did anything come to mind in your life and relationships? What are some ways you feel the current of our world pulling you away from God?

3. **Read Hebrews 3:12-13.** What are some reasons you would never 'turn away' from God? In what ways can we and others keep us from an *unbelieving heart*?

4. Can you write a list of the people in your circle who are actively *encouraging* you? What did you learn about the New Testament's definition of *encourage one another*?

5. **Read Galatians 5:19-20.** Are there any sins on this list you need to get open about with your brothers or sisters?

6. **Read 1John 1:7.** Living a life of openness brings us closer to God and each other. What can your group do to help you get closer and what can you do to get closer to God?

**Close your group with a time to pray with and for each other.**

## CHANGING YOUR MIND

But encourage one another daily, as long as it is called "today," so that none of you may be hardened by sin's deceitfulness. **Hebrews 3:13**
