OUR VISION

Love God.

Live Change.

Light the Way.

OUR VALUES

God's Word: is our Narrative

We discover who God is and how we participate in his story.

Love: is our Calling

We honor and value one another above ourselves.

Serving: is our Passion

We do everything with zeal and ownership.

Prayer: is our Priority

We pray as our first response, not our last resort.

Hospitality: is our Mission

We seek opportunities to share what God has given us.

CHANGED BY JESUS

We live in a world where we are more connected than ever, yet many people still struggle to feel truly known. In John 13, Jesus demonstrates what love looks like by humbling Himself and washing His disciples feet. He shows us that discipleship is not about religious activity, but about receiving His love and allowing it to transform how we treat others. When we love people the way Jesus has loved us, our relationships, families, and communities become a reflection of His heart, and the world gets to see what it truly means to follow Jesus.

DISCUSSION QUESTIONS

Conversation Starters

- What is one chore or responsibility you actually enjoy doing?

Sermon Discussion

- **Read:** John 13:1-38

1. We live in a world where we are constantly connected through technology, social media, and even church activities, yet still struggle to feel truly known and loved. Where do you see the greatest need for deeper connection in your relationships?
2. In John 13:6-11, Peter struggled to understand why Jesus, his Lord and Teacher, would humble Himself to wash his feet. Sometimes we find it easier to serve others than to acknowledge our own needs and humbly receive the love, grace, and care that Jesus offers us. Why do you think receiving love and allowing others to serve us can be difficult?
3. Judas spent years around Jesus, yet his heart wasn't fully surrendered to Jesus. His story reminds us that discipleship is more than church attendance or involvement; it requires a genuine relationship with Jesus that transforms us from the inside out. How can we recognize when our faith has become more about religious activity than personal transformation? What helps us keep our relationship with Jesus at the center?
4. In John 13:12-17, Jesus gives His disciples an example to follow by washing their feet. Jesus shows us that love requires humility and a willingness to serve others, even when it is uncomfortable or inconvenient. What makes it difficult for you to serve others with the humility of Jesus? Where is God calling you to step outside your comfort zone and pick up the towel?
5. Jesus gives His disciples a new commandment to love one another as He has loved them. The love we receive from Jesus is meant to transform not only our hearts but also the way we treat our families, friends, neighbors, and even strangers. Who is one person that you can demonstrate the love of Jesus to this upcoming week?
